Good morning David,

As discussed, here is the background information on our target.

Target: [REDACTED] – various offences from 1981-2009. Caution “V”. Life time ban on firearms

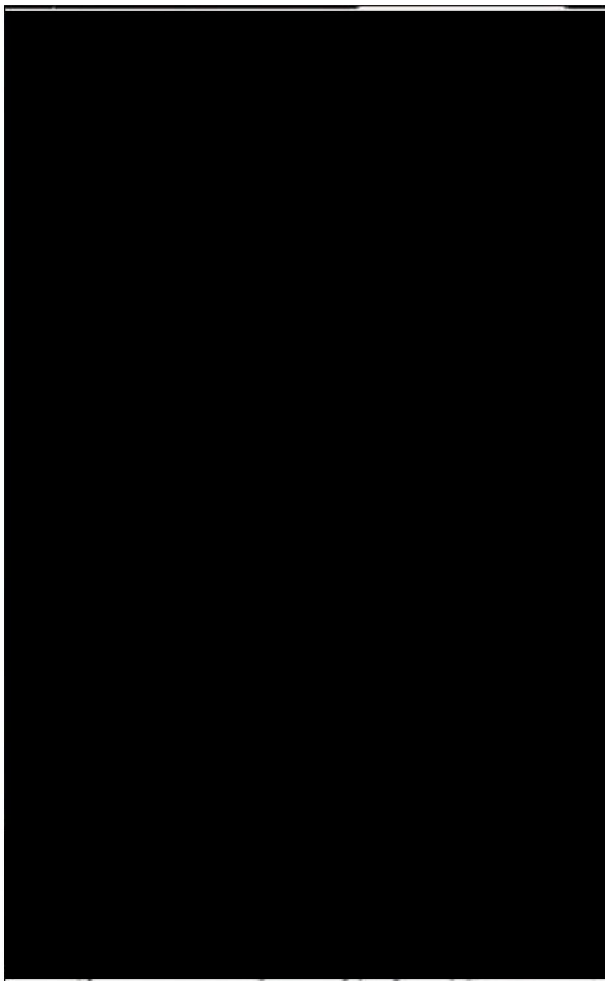

Vehicle: [REDACTED] - Ontario plate: [REDACTED]

Home Residence: [REDACTED]

February 17, 2022 CBSA was executing search warrants at the a/n residence in

relation to firearms smuggling. At 04:00hrs entry was made into the residence by York Regional Police ERT. The target was not home. Various firearms/weapons were found and there was evidence that some firearms/weapons were removed from the house. A neighbour advised that the target had departed yesterday to travel to Ottawa. It is assumed that the target has travelled to Ottawa in the a/n vehicle with weapons in his possession.

We are working on having an arrest warrant issued and will enter this in CPIC. The OPP Provincial Weapons Enforcement Unit has contacted the OPP Command Centre in Ottawa.

Please provide this information to the RCMP as an interim communication until we can have the arrest warrant issued.
